Comment on what you learned. You may also want to mention a feasible timeline for being promoted to this role. You can start your online application by clicking [here](#). Just explain that particular position and its major responsibilities. How did these experiences impact your relationships with others? Please attach your supporting documents via the online application system. However, with the right approach, this essay can be much less daunting. Demonstrate how you have adopted to handle a much bigger responsibility and evolved as a leader over the period of time. Comment on what you learned. Give context behind every decision. What should you do in such cases? In just words, you have to cover a lot of grounds here: Explain your best achievement Explain why this ranks highest among all your achievements Explain a key failure may not be your worst failure Explain the ways in which these experiences impacted your relationship with others What did you learn? Here, focus on your next logical step in your current organization whether you intend to return post-MBA or not. How did you select your first job after graduation? We strongly recommend however that you complete this step before the final date to allow yourself some time to prepare for this exercise. All others must be accompanied by a certified English translation. The following supporting documents must be included in your application and received before or on the day of the application deadline. Some applicants work for companies that are well known and only 3 lines are sufficient to describe them; others work for small companies where it is more important to give the full picture. You can talk about any activity – politics, stamp collection, reading Dan Brown novels, watching Hollywood Classics. We accept transcripts in English or French. After doing this, filter out examples that are contradictory to Essay 1 for example, your achievement revolves around being an excellent presenter and your weakness in Essay 1 is presentation skills or that overlap with stories you are telling in other essays. Your link will be also available on your dashboard within the application system. These can be a range of activities, from hobbies to community service to sports, etc. In case you need any assistance in editing this essay, please contact us! Again, work or non-work topic is fine. Finally, presentation matters. They know that the long term goal is a distant dream which may or may not come true. They might also feel that you failed to understand a simple question and that MAY negatively impact your admission chance. Should you feel a little bit of context is necessary to understand your current role, feel free to provide it. Just be to the point.
